

TAILGATE SAFETY TRAINING LOG

Use separate forms to record sessions which you were the trainer vs. sessions which you were the trainee.

Upload this completed form as supporting documentation when you apply for CTSP CEUs online.

CEUs are awarded as follows:

- If you were the trainer, you will be awarded 0.75 Training and Program Development CEUs for each session.
- If you received training, you will be awarded 0.25 Continuing Education CEUs for each session.

CTSP Name (print) _____ CTSP # _____

I was the: (select only one)

	trainer
	trainee

Write a completion date on the line beside each session completed:

Date	Session #	Session Title	Date	Session #	Session Title
	Session 1	ANSI Z133 Introduction		Session 24	Comm Helmet Use
	Session 2	General Safety Requirements		Session 25	Identifying Poisonous Plants
	Session 3	PPE: Head Protection		Session 26	Biting & Stinging Animals & Insects
	Session 4	PPE: Eye & Face Protection		Session 27	Lyme Disease
	Session 5	PPE: Respiratory Protection		Session 28	Avoiding Struck-by's from Falling Objects
	Session 6	PPE: Effects of Noise		Session 29	Chainsaw Selection & Maintenance
	Session 7	PPE: Hearing Protection		Session 30	Chainsaw Use & Safety
	Session 8	PPE: Work Clothing & Footwear		Session 31	Using a Chainsaw in a Tree
	Session 9	PPE: Aerial-Lift / Platform Fall Protection		Session 32	Battery-Powered Chainsaws
	Session 10	First Aid		Session 33	Alternatives to One-Handed Chainsaw Use
	Session 11	Blood-Borne Pathogens		Session 34	Limbing & Bucking
	Session 12	Fire Prevention		Session 35	Avoiding Slips, Trips, & Falls
	Session 13	Fire-Extinguisher Deployment & Use		Session 36	Trailer Towing & Setup
	Session 14	Public Safety & Traffic Control		Session 37	Backing Work Vehicles & Trailers
	Session 15	Signal Flagging		Session 38	Avoiding Struck-by's from Vehicles & Equipment
	Session 16	Job-Site Setup		Session 39	Brush Removal & Chipping
	Session 17	Personal Safety & Active Caring		Session 40	Avoiding Struck-by's in Tree Removal
	Session 18	The Hazard of Inexperience		Session 41	Protection from the Elements: Hot Weather
	Session 19	Back-Injury Prevention & Proper Lifting		Session 42	Protection from the Elements: Cold Weather
	Session 20	Reducing Back Injury with Proper Stretching		Session 43	Dealing with Violent Behavior
	Session 21	Preventing Musculoskeletal Disorders		Session 44	Drug & Alcohol Awareness
	Session 22	Hand Tools		Session 45	Emergency Response & Rescue Procedures
	Session 23	Job Briefings		Session 46	Electrical Hazard Awareness

Date	Session #	Session Title	Date	Session #	Session Title
	Session 47	Qualified & Incidental Line Clearance Arborists		Session 74	Tree Removal
	Session 48	Electrical Hazards & Climbing		Session 75	Defensive Driving: The Space Cushion
	Session 49	Aerial Equipment & Electrical Hazards		Session 76	Defensive Driving: Recognizing Driving Hazards
	Session 50	Equipment & Electrical Hazards		Session 77	Defensive Driving: Averting Hazards
	Session 51	Storm Work Emergencies		Session 78	Distractions while Driving
	Session 52	Bucket / Compact Lift Rescues		Session 79	Driving in Inclement Weather
	Session 53	Mobile Equipment		Session 80	Avoiding Injuries in Pesticide Mixing & Handling
	Session 54	Portable Electric Equipment		Session 81	Avoiding Injuries in PHC / Pesticide Application
	Session 55	Pre-Climb Inspections		Session 82	Preventing & Responding to Pesticide Spills
	Session 56	Climbing Saddles, Ropes, Knots, & Hitches		Session 83	Hazardous Substances
	Session 57	Climbing Carabiners, Snaps, & Mechanical Devices		Session 84	Inspecting & Maintaining an Aerial Lift
	Session 58	Understanding Forces on the Tree		Session 85	Fall Prevention for Roofs and Elevated Surfaces
	Session 59	Tie-in Point Selection & Line Installation		Session 86	Load Securement & Safe Hauling
	Session 60	Ascent Techniques		Session 87	Pre-Trip Vehicle Inspections
	Session 61	Working the Tree & Stability Techniques		Session 88	Preventing Property Damage
	Session 62	Planning for Rescue (SRT/MRS)		Session 89	Hydraulic Dump Body Safety
	Session 63	Climbing Spur Safety		Session 90	Stump Grinders
	Session 64	Climbing on a Spar		Session 91	Safe Work Practices for Buried Utilities
	Session 65	Ladders		Session 92	Chipper Maintenance
	Session 66	Aerial Lift Key Safety Points		Session 93	Chipper-Winch Safety
	Session 67	Tracked Lifts		Session 94	Pinch Point Hazards
	Session 68	Pruning & Trimming		Session 95	Cranes & the Crew
	Session 69	Cabling & Bracing		Session 96	Crane Setup and L. Z. Safety
	Session 70	Limb & Trunk Removal		Session 97	Limitations of Cranes
	Session 71	Barber Chairs & Slabbing		Session 98	Operating Mini Skid Steers
	Session 72	Forces in Rigging		Session 99	Skid Steer & Articulating Loaders with Cabs
	Session 73	Common Rigging Hazards		Session 100	Truck-Mounted Loaders & Related Equipment

REQUIRED: Manager Verification

Your manager/supervisor's name (printed): _____

"I certify that this training log is an accurate record of the Tailgate training in which this CTSP participated."

Manager Signature: _____ Date: _____
