

ASTI Digital Access Terms and Conditions

Purpose: The purpose of these terms and conditions is to provide information on how the TCA digital courses will be offered, how companies can apply for grants to cover the cost of enrollments, and the guidelines that will apply to grantees.

Scope: These terms and conditions apply to the TCA digital courses offered by the Arborist Safety Training Institute (ASTI) and to the grants provided by ASTI to companies in the tree care industry to cover the cost of enrollments in these courses. The ASTI Grants Office reserves the right to approve or deny all applications. The process for these grants is outlined in the ASTI Digital Explainer document [here](#).

Rights and Responsibilities:

ASTI will have the right to offer the TCA digital courses and to provide grants to cover the cost of enrollments in these courses.

Companies that apply for grants will be responsible for ensuring that their employees meet the eligibility requirements for the grant and for providing the necessary information and documentation to ASTI.

Ground Operations courses must be applied for and completed sequentially. To enroll in a continuing course, grantee must provide a certificate of completion for the preceding course.

Grantees will be responsible for completing the TCA digital courses within the specified timeframe and for complying with any other requirements or guidelines specified by ASTI, including the maximum number of enrollments per company (5).

ASTI will not be responsible for any issues or problems that arise in connection with the TCA digital courses or with the grant application and approval process.

Payment Terms:

ASTI will provide grants to cover the cost of enrollments in the TCA digital courses for eligible companies or individuals.

Grantees will be responsible for any costs that are not covered by the grant, including any additional fees or charges that may be incurred.

Personal Information and Data:

ASTI will collect and process personal information and data from grant applicants and grantees in accordance with applicable laws and regulations.

Personal information and data collected by ASTI will be used for the purposes of administering the TCA digital courses and the grant program and will not be shared with third parties without the consent of the individual involved.
